

HOUSEPURE® WATER TREATMENT SYSTEM LIMITED LIFETIME WARRANTY

THE MANUFACTURER warrants the HousePure® Water Conditioner Tank identified on this Warranty not to rust, leak, or burst for the lifetime of the original purchaser provided that the Conditioner is installed and serviced by an authorized HousePure® Dealer and that failure of these tanks does not result from abuse, fire, freezing or other acts of nature, violence, or improper installation.

Our obligation under this warranty with respect to the Control Valve will be limited to furnishing a replacement for, or at our option, repairing any part or parts to our satisfaction, that prove defective within five years from date of original installation. Such replacement parts will be delivered to the owner F.O.B. nearest factory, at no cost, excluding freight and local labor charges, if any. (Should the control valve fail after the initial five year period, we will supply an exchange valve upon receipt of the defective valve, freight prepaid together with a check or money order to cover service charges at factory cost at the time of rebuilding or reconditioning.)

Replacement tanks and parts covered by this warranty will be furnished F.O.B. factory, in exchange for prepaid returns of the defective parts.

THE MANUFACTURER shall not be liable for freight, handling or labor charges, including consequential damages.

This warranty is effective only under the following conditions:

1. Equipment is installed and operated within the local plumbing codes, and on an approved water supply.
2. Equipment is limited to use, at water pressures not to exceed 100 PSI and temperatures not to exceed 110 degrees F.
3. Information, including model number, serial number, and date of installation, must be furnished on any claims pertaining to equipment in warranty.
4. Defective parts are subject to inspection by either THE MANUFACTURER, or any authorized representative, before final commitment of warranty adjustment is made.
5. THE MANUFACTURER reserves the right to make changes or substitutions in parts or equipment with material of equal quality or value and of then current production.

Additionally, Water, Inc. provides an in-home warranty of one-year parts and labor.
