DESCRIPTION

BREW EXPRESS 10 cup Automatic Coffee System

Shipping Wt: 18 lbs.

The 10-cup Brew Express installs into the wall and connects into any kitchen, bath or wet bar for a convenient brewing experience without spilling a drop.

- Built-in, automatic coffee system, hooks up to an 1/4" cold water line.
- Programmable digital clock with timer.
- Adjustable cup selector allows brewing a single mug to a full carafe.
- Pause-N-Brew infrared sensor makes it safe to remove the carafe while brewing and will never overflow the brew basket.
- Soft-blue nightlight can be controlled by an on/off switch.
- Brews in half the time of conventional brewers.
- Commercially tested for long life reliability
- Brews at the coffee industry standards of 195°F to 205°F
