

## MODEL

## DESCRIPTION

### HousePure® Soft Commercial Grade Whole House Water Softener

Part # WI-HP-SOFT-4

Shipping Wt: 400 lbs.

The Commercial Grade HousePure Soft is an excellent option for larger homes and businesses that require higher flow rate and/or more water softening capacity. With 96,000 grains per gallon capacity, this 4 cubic foot softener will handle the most demanding hard water applications.

The HP-Soft-4 has a 2" inlet and outlet, which can be bushed down to accept smaller pipe sizes if needed. The unit includes a 2900 series commercial, 24VDC controller and a 3200 2" metered valve.

#### Includes Installation Parts and Install/Owner's Manual
