The EverHot mark is used under license from Bradford White Corp.

\*SPECIAL = any sigma finish except precious metal (silver & gold).

Allow 8 to 10 weeks for delivery on custom, or "special" finish.

Note: We can provide any finish on most of our faucets. Contact our order desk for availability, price and ETA. We can custom finish to match customer's existing hardware/accessories, please send a sample. **Some faucets are PVD. Check individual price sheets for details.**
